

Resolution Requiring Honesty In NC GOP Communication

Resolution of the Executive Committee of the North Carolina Republican Party

Whereas: the North Carolina Republican Party is the Party of Traditional Values; *and*

Whereas: one of the most important traditional values is simple honesty, and always telling the truth; *and*

Whereas: the sacred scriptures teach that lies are the devil's language;

Therefore Be It Resolved That:

It shall be the permanent policy of the Executive Committee of the North Carolina Republican Party that the North Carolina Republican Party shall never make, nor allow to be made in its good name, any letter, call, press release, or other statement, whether for fundraising or other purpose, which is intentionally or knowingly untrue, or deliberately misleading.

For example, no fundraising letter or call shall misrepresent a plea for a donations as being a fee for membership in the North Carolina Republican Party, nor misrepresent the past contribution history of a potential donor.

Respectfully submitted,

David A. Burton
