

Prayer Vigil Sign-up for Iraqi Election

www.AnySoldier.com Community

“Pray without ceasing.” (1 Thessalonians 5:17)

“Please ask everyone to pray for a successful election and the safety of all the soldiers in Iraq whether they be coalition forces or Iraqi. For us January 30th is D Day.” -LTC Keith Donahoe [1/15/ 2005]

“As a transportation battalion, my unit will be delivering the voting machines and the ballots to villages and cities throughout Iraq during the upcoming elections... Our convoys are prime targets for the insurgents... There is unlimited potential for God's presence in this process but if we do not pray, then our enemy will prevail. (See Ephesians 6:10-17)” -Army Chaplain Lyle Shackelford (member, Dublin Baptist Church of Dublin, OH) [see Baptist Press (www.bpnews.net) 1/21/2005]

We're asking for volunteers to help provide prayer coverage for our troops and the Iraqi people next weekend, during the 10 hours that the polls will be open for the Iraqi election, plus 4 hours before and after the election (for ballot & voting machine transportation, polling place setup & takedown, etc.).

Please consider signing up for one of the 36 half-hour time slots, via this web site:
